Blessed Be God!

Annual Giving 2011 – 2012

Our Lady of Mt. Carmel School depends on your prayers, attendance, and financial support to further our mission. Your support makes possible to go beyond teaching the curriculum; it provides an opportunity to purchase new materials for the library, classroom supplies, technology needs, and financial assistance for students in need. Tuition and fees collected yearly are not enough to cover the costs of education at our school. The only way these additional costs can be attended to is by annual donations and voluntary fundraising activities.
